

Your challenge:

Make the Best Better

Chief Executive, Ealing Council

Excellent six-figure package

Ealing Council is the UK's "Best Achieving Council". We're 4 star rated, improving strongly, and have 72% customer satisfaction. We're unquestionably heading in the right direction - but our ambition goes much further.

We want to be acknowledged as the country's best performer in every service area. To achieve unprecedented customer satisfaction levels. To accelerate the borough's regeneration. To deliver the most sharply-focussed and successful partnerships. And so much more.

As our new Chief Executive you will need to be an experienced and confident leader capable of making the best even better.
